Locals Against Mayfield Building Sprawl

LAMBS Sight and Sound Birdwatch

Countryside Habitats

woodlands/hedgerows/riverbanks/meadows

Take this form with you when you are walking in the area. Please record what you have seen or heard and the location as accurately as possible. If possible take photos of the bird and/or its location. It would also be helpful if you marked the location on the map you can download from our website.

Bird species	Date and time	Location

Notes:
